

Dear Families,

I understand all of the items my child will be responsible for by enrolling in this program. I understand that these classes are actual college courses and the amount of time and effort both in and out of class should reflect as such.

I understand and agree to abide by the important dates such as those for dropping the class, purchasing materials, and completing requirements.

I understand that in order to be successful in the class my student should be present at the scheduled class meeting times, which may include either block (7 weeks), semester (14 weeks), or online formats. I also understand that there could be approximately 5-10 hours per week of additional coursework outside of the classroom.

I understand that I will be responsible for the following items: Course Registration Fee (\$25), Course cost (\$32 per credit), and any books or materials.
